➤ An Analysis of Twitter's Perception

Carolyna Hutchings

"The Queen" as the streets of Twitter call her.

It's not shocking to see Carolyna being the most talked about cast as she has bodied every part of the show with her altercations with most of her fellow casts.

Carolyna Hutchings is no new name in the entertainment space. She has been quiet over the years but made her comeback to the entertainment industry with Showmax's Real Housewives of Lagos.
